

CARE & USE INSTRUCTIONS:

1. Use only markers specifically designed for dry erase.
2. Use the writing surfaces clean using a soft, dry cloth or tissue.
3. Wipe the writing surface clean using a soft, dry cloth or tissue.
4. Wipe the writing surface clean using a soft, dry cloth or tissue.
5. Wipe the writing surface clean using a soft, dry cloth or tissue.
6. Wipe the writing surface clean using a soft, dry cloth or tissue.
7. Wipe the writing surface clean using a soft, dry cloth or tissue.
8. Wipe the writing surface clean using a soft, dry cloth or tissue.
9. Wipe the writing surface clean using a soft, dry cloth or tissue.
10. Wipe the writing surface clean using a soft, dry cloth or tissue.

Use no other cleaners or solvents.

If a permanent marker is used on the writing surface, retreating the marks with a dry erase marker will remove those marks.
